## **8. RECORDS HELD BY THE ORGANISATION**

### **a. Records Management System**

Each of the business units at the Company holds records related to that unit. Where possible records are kept in electronic format. In cases where records cannot be transferred or cannot be converted to electronic form such documents are filed and stored in shelves managed by each unit.

Each business unit undertakes to comply with the provisions of POPI, assisted by the reasonable party and / operator, to ensure that personal information is stored with the utmost care and diligence.

### **b. Categories of Records held**

Operational Information is generally not accessible to persons outside the company or persons without the requisite authorization or justification.

#### *i. Administration*

- Financial & Management Reports
- Banking Records
- Audited Financial statements and SARS returns
- Income tax statements
- Files relating to the appointment of staff
- Insurance
- Work reviews, appraisals, leave forms, etc.
- Correspondence with Associations
- Requisitions & Invoices
- Internal phone lists & address lists
- Company policies & procedures
- Budgets, accounts, banking & monthly reconciliations
- Audited financial statements & SARS returns
- Contracts: staff, clients, employee records

#### *ii. Operational documentation*

- Newsletters & marketing material
- Client consultations
- Client database (personal information)
- Sensitive client information (Debit order mandates / banking information)
- All documentation relating to client services
- All documentation relating to supplier rates

## **9. CATEGORIES OF RECORDS AVAILABLE WITHOUT RECOURSE TO THE PROMOTION OF ACCESS TO INFORMATION ACT (PAIA)**

The Company also holds some documents which are already available to the public and records which can be accessible without using PAIA.

- I. Website(s)
- II. Advertising & marketing brochures/pamphlets
- III. Letterheads, invoices, telephone directory entries
- IV. Press releases and magazine adverts
- V. Companies' registration details at CIPC
- VI. VAT Number

## **10. PROTECTION OF PERSONAL INFORMATION (POPI) POLICY**

Data Protection Principles as required by POPI:

- Accountability – the Company as the responsible party and operator, with the assistance of the Information Officer, shall ensure that all data processed, used, received, and / or requested shall be stored in the requisite company database for such time as the personal information is needed to complete requested services or for a reasonable time after said requested services are completed.
- All records held by the Company shall be done in compliance with POPI, including the retention time and destruction of personal information.
- Processing Limitation – the Company shall ensure that all information processed is done lawfully and within the ambit of the services requested. Personal information processed by the Company shall be adequate for purpose, reasonable, and not excessive.
- Purpose Specification – Personal information must be collected for a specific, explicitly defined, and lawful purpose related to a function or activity of the Company. the Company as responsible party and operator undertakes to ensure that the data subject is aware at all material times of the purpose of the collection of information unless s18(4) of POPI is applicable (circumstances when the non-compliance is permitted).

- Further Processing Limitation – the further processing of personal information, once collected and received, must be in accordance or compatible with the purpose for which it was collected. the Company will further need to assess the information collected with a view of identifying what form of processing and / or storage is necessary for the personal information at hand. Factors influencing the aforesaid will include, *inter alia*, the nature of the information; consequences of the further processing of the information; manner in which the information has been collected; and any contractual rights and obligations between the parties.
- Information Quality – the Company and its Information Officer shall take reasonably practicable steps to ensure that the personal information is complete, accurate, not misleading and updated, from time to time, where necessary. the Company must further have regard for which personal information is collected and further processed.
- Openness – In terms of section 14 of POPI and section 51 of PAIA, the Company must maintain the documentation of all processing operations under its responsibility.
- Security Safeguards – the Company undertakes to treat all personal information collected as confidential and shall not disclose it unless required by law or in the course of the proper performance of their duties (in compliance with sections 19, 20, 21 and 22 of POPI read with the security safeguards and procedure recorded hereunder.
- Data Subject Participation – a data subject, having provided adequate proof of identity, has the right to, *inter alia*, request that a responsible party confirm whether or not the responsible party holds the data subject's personal information. Furthermore, the data subject has the right to have access to the information within reasonable time; at a prescribed fee, if any; and in a reasonable manner and format.

Kindly refer to the Company Website POPI policy for detailed information on the application of the above. The aforesaid can be found on our Website.

For ease of reference and to better understand POPI, follow this link: <http://www.justice.gov.za/legislation/acts/2013-004.pdf>

## **11. ACCESSING RECORDS HELD BY THE COMPANY THROUGH PAIA READ WITH POPI PROVISIONS**

All requests should be sent to the information Officer, detailing the content of the request on prescribed request forms (attached). The process detailed below has been endorsed by the South African Human Rights Commission (see <http://www.sahrc.org.za/guideline.doc>)

### c. The Process

- i. The person requesting information should complete the prescribed form and address the request to the Information Officer, using the address, & e-mail address indicated.
- ii. Sufficient detail should be provided on the request form to enable the Information Officer to identify the record and the source of the request. Contact details for the requester should be indicated.
- iii. The requester must identify the right that is sought to be exercised or to be protected and provide an explanation of why the requested record is required for the exercise or protection of that right.
- iv. If a request is made on behalf of another person, the requester must submit proof of his capacity to the information Officer.

### d. Prescribed Fees

The fees (as per Government Notice no R187) as amended are:

The fees for reproduction are as follows:

- (1) For every photocopy of an A4-size page or part thereof – **R1.10**
