6. USE OF COOKIES AND OTHER TECHNOLOGIES

6.1. We may use cookies, for example, to keep track of your preferences and profile information. These cookies help us personalise and improve your online experience. A cookie is a small text file that is placed on your hard drive or device. Cookies contain information, including Personal Information that can later be read by a web server in the domain that issued the cookie to you. You have the ability to accept or decline cookies. Please be aware that the Site is optimally designed to operate with cookies enabled in your internet browser. If you choose to block cookies, it may prevent you from being able to register or perform other interactive functions on the Site.

7. PROTECTION OF PERSONAL INFORMATION

7.1. The security of your Personal Information is important to us. We follow generally accepted industry standards to help protect your Personal Information, both during transmission and once we receive it. Some of the standards and practices we follow include but are not limited to the following:

7.1.1. Very few and carefully selected employees have limited access to parts of your Personal Information specifically necessary to provide services to you.

7.1.2. All employees are bound by and agree to our Company Policies and Code of Conduct which includes confidentiality clauses to protect customer and other confidential information.

7.1.3. Ensuring that partners and third party service providers sign confidentiality and non-disclosure agreements to maintain the confidentiality of your Personal Information and not to use it for any unauthorised purposes.

7.1.4. Encrypting of payment data and credit card information on our checkout page using secure socket layer (SSL) technology.

7.1.5. Storing your Personal Information in encrypted form on secure computer systems which protect it from unauthorised access or use.

7.2. Ultimately, no method of transmission over the Internet, or method of electronic storage, is perfect and 100% secure. Therefore, while we strive to protect your Personal Information, we cannot fully guarantee its absolute security. If a password is used to protect your account and Personal Information, it is your responsibility to keep your password

confidential. If you have any questions about the security on the Site, you may contact us at legal@peopleimages.com

8. OPEN ID CONTRIBUTORS

8.1. You can log in to the Site using sign-in services and connectors such as Facebook, Twitter, Yahoo, LinkedIn, AOL and Google+. These services will authenticate your identity and provide you the option to share certain Personal Information with us such as your name and email address to pre-populate our registration form. Some of these services also give you the option to post information such as images to your profile page to share with others within your social network.

9. MINORS

9.1. We do not intend to solicit or purposefully collect Personal Information from persons under 18 years of age without parental or legal guardian consent. If you are under 18, you shall not enter Personal Information or use the Site in any way prior to obtaining the aforementioned consent.
